

GOOD revised Circle of Life symbol definition and key for obituary page.

Circle definition

Circle of Life 
In an effort to honor those who have received or donated either organs, eyes, or tissue, *The Tulsa World* is participating in the “**Circle of Life**” campaign.
If your loved one was a donor or recipient, **please inform the obituary editor if you would like to have the “Circle of Life” symbol placed in his or her listing.**

Circle key

 The  indicates that the deceased was a donor or recipient. Please tell the obituary editor if you would like to honor your loved one in this way.

 — organ/eye/tissue donor or recipient
